ROAD TRANSPORT

Whether you are looking for standard, exceptional or dangerous goods transport; Lubbers Transport Group has whatever it takes to tackle the job. With over 80 years experience and a vehicle fleet of more than 100 trucks and 250 trailers (including flatbed-, step deck- and heavy haulage trailers, tautliners and low-loaders), we can offer all kinds of specialized transport services for the oil and gas industry.

Either oversized or dangerous goods, we are available 24 hours a day - 365 days a year. With our exceptionally high safety standards we are a fully certified company (ISO 9001: 2008, ISO 14001: 2004, VCA and OHSAS 18001: 2007). We can offer a groupage service troughout Europe, via our extensive network of bases in dedicated vehicles.

Our standards:

- All drivers have a VCA (Dutch Safety Standard) as well as Dangerous Goods classes covering Explosives, Gases, Liquid, Solid, Oxidisers, Toxic, Radioactive, Corrosive and Miscellaneous hazards
- All drivers are equipped with full PPE (Personal Protective Equipment)
- All drivers are regularly trained on safety awareness
- All standard trailers are 13.60 metres in length with high side pins (1.30m) and high head boards
- Nearly all the drivers and planners have a long history in the oil and gas industry.

Always at your side

Transport without limits in the energy sector

Lubbers Transport Group guarantees you a reliable network of experts and fast problem free transport. With ten operational bases covering seven countries, Lubbers is always close by and available 7 days a week and 24 hours a day.

We guarantee you a rapid and secure transport service based upon a thorough knowledge and professional coordination between all parties involved.

In addition to road transport services, Lubbers can offer additional value added services including warehousing, offshore container and basket rentals, manpower and completion of customs formalities.

In a word, Lubbers is always at your side.
